

INTERNATIONAL CONFERENCE

„Autologous Hematopoietic Stem Cell Transplantation –
current situation and future trends”

09:00 – 10:00	Registration Sponsors Exhibition
10:00 – 10:15	Welcome speech and opening of the conference <i>Professor Remigijus Zaliunas, Rector of the Lithuanian University of Health Sciences</i>
10:15 – 10:30	Welcome speech from the World Health Organization The role of WHO in stem cell transplantation <i>Professor José Nunez, Medical Officer Transplantation, Patient Safety Programme PSP/HIS, World Health Organization-HQ, Avenue Appia 20, CH-1211 Geneva 27</i>
Chairs:	<i>Prof. Elona Juozaityte, Kaunas, Lithuania, Prof. Dietger Niederwieser, Leipzig, Germany</i>
10:30 – 10:50	Autologous HSCT in multiple myeloma: First experience in Kaunas <i>Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania</i>
10:50 – 11:10	Latvian experience in autologous HSCT for multiple myeloma <i>Dr. Ilze Trociukas, Riga, Latvia</i>
11:10 – 11:30	Estonian experience in autologous HSCT for multiple myeloma <i>Prof. Hele Everaus, Tartu, Estonia</i>
11:30 – 12:10	The role of autologous HSCT in newly diagnosed and relapsed myelomas in the context of new drugs <i>Prof. Laurent Garderet, Paris, France</i>
12:10 – 12:15	Questions and answers
12:15 – 13:15	Lunch Sponsors Exhibition
Chairs:	<i>Prof. Sandra Lejniece, Riga, Latvia, Dr. Vladan Vucinic, Leipzig, Germany</i>
13:15 – 13:55	Myeloma and the role of autologous HSCT <i>Prof. Jerzy Holowiecki, Gliwice, Poland</i>
13:55 – 14:35	Is autologous HSCT enough for the treatment of multiple myeloma? <i>Prof. Gosta Gahrton, Stockholm, Sweden</i>
14:35 – 15:15	The role of transplantation in lymphoma in the context of new drugs <i>Prof. Norbert Schmitz, Hamburg, Germany</i>
15:15 – 15:45	Coffee break Sponsors Exhibition

INTERNATIONAL CONFERENCE

„Autologous Hematopoietic Stem Cell Transplantation –
current situation and future trends”

Chairs:	<i>Prof. Hele Everaus, Tartu, Estonia, Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania</i>
15:45 – 16:15	Case Report (POEMS) <i>Prof. Kestutis Petrikonis, Dr. Domas Vaitiekus, Kaunas, Lithuania</i>
16:15 – 16:55	Autologous HSCT in solid tumors <i>Prof. Marco Bregni, Busto Arsizio, Italy</i>
16:55 – 17:35	New techniques in mobilization <i>Dr. Vladan Vucinic, Leipzig, Germany</i>
17:35 – 17:50	Ruxolitinib for treatment of MPN and the role of HSCT <i>Nadja Jäkel, Leipzig, Germany</i>
17:50 – 18:30	Future of stem cell transplantation and cellular therapy <i>Prof. Dietger Niederwieser, Leipzig, Germany</i>
18:30 – 18:45	Concluding remarks
